Dear friends,

the present North Africa emergency is engaging our Association in assisting the refugees on National and International areas.

Thanks to the huge work of hundreds of volunteers we are facing a big humanitarian emergency, but nevertheless we want to remember the birth of the idea inspiring Henry Dunant during the historical Solferino battle, June 24th 1858, organizing the XVIII edition of the "FIACCOLATA".

Due to the several emergency activities we are facing, we are not in condition to organize, as in the past, a camp in Solferino to guest thousands of volunteers of the Red Cross and Red Crescent. From Friday June 24th you will find in Solferino a welcome desk for the enrolment to the Torchlight procession and workshops. Attached you can find program and rules.

I invite all of you to take part to the event.

Sincerely Yours

Francesco Rocca
Commissario Straordinario
